

## Navin P. Wadehra, MD

---

Navin P. Wadehra, MD joined the cancer care team of Northwest Georgia Oncology Centers, P.C. (NGOC) in 2006 after completing his Fellowship in Medical Oncology and Hematology at Ohio State University in Columbus, OH.

With a special interest in breast, lung, gastrointestinal and head and neck cancers, Dr. Wadehra is actively involved in cancer research and clinical trials to find a cancer cure and provide his patients with the most advanced cancer treatment available in Georgia.

***“Most cancers are complex and no two patients will have the same needs. I try to work with each patient to create a custom treatment plan for the best possible outcome.”***

Dr. Wadehra delivers patient-centered cancer care at NGOC’s **Douglasville Cancer Center**.
