

## Walid L. Shaib, MD

Walid L. Shaib, MD joined the cancer care team of Northwest Georgia Oncology Centers, P.C. (NGOC) from the Hematology / Medical Oncology & Gastrointestinal Cancer Program at Winship Cancer Institute of Emory University. He received his medical degree from American University of Beirut, Lebanon with Residency completed in Internal Medicine at Yale New Haven Hospital and was Chief Fellow in Hematology/Oncology at Winship Cancer Institute of Emory University, School of Medicine.

Dr. Shaib is actively involved in cancer research and clinical trials to find a cancer cure and provide his patients with the most innovative cancer treatment available in Georgia.

Dr. Shaib provides patient-centered cancer care at NGOC's **Cartersville Cancer Center** and **Cherokee Health Park Cancer Center**.
